MEMORANDUM AND ORDER

After due consideration,

IT IS HEREBY ORDERED that plaintiff's motion to change the nature of suit code from 442 to 445 [120] is granted, and the Clerk of Court shall update the docket sheet to reflect the change. To the extent the motion [120] seeks additional relief, it is denied.

IT IS FURTHER ORDERED that plaintiff's motion for additional copies of all 123 documents filed in this case [121] is denied, as the docket sheet reflects that plaintiff has already received copies of the documents by mail and she is not entitled to numerous free copies of documents, most of which she filed. To the extent the motion [121] seeks additional relief, it is denied, as the Court does not provide "updates" to parties in cases. Additional motions will be ruled if filed, but simply stating an intention to file a motion does not mean that such a motion is properly before the Court at this time.

IT IS FURTHER ORDERED that plaintiff's motion for copies [122] is denied as duplicative and for the same reasons set out above.

IT IS FURTHER ORDERED that plaintiff shall file any opposition to defendant's motion to clarify its proper name [118] in accordance with the time limits set out in the Court's local rules or the motion will be granted without objection.
